HOLLYWOOD BAPTIST CHURCH

As I sit here writing this article, I am in awe of what an awesome God we serve. My first Sunday as the Pastor of Hollywood Baptist Church was September 11, 2005. I will have been here 13 years, if I make it to this September. It seems like just yesterday that I started as your pastor. God has done so much and I am so thankful for His great work and the amazing things that have taken place over the years. I will be eternally grateful for His leadership in my life to come here to pastor the people of Hollywood Baptist Church. It has been an exciting time as we have seen God's handiwork on many different levels.

In just a few short months, we will be reaching a "new milestone" as we open our brand new multipurpose facility. The grand opening date is scheduled for October 21. Things are moving right along as we prepare for that big day. The Lord has led us every step of the way since beginning this new building. What an awesome thing to see Him supply every need concerning this project. This building has been talked about for years and now we are seeing that vision unfold right before our very eyes. It will open up so many opportunities for ministry for us within our community.

All throughout the scripture God's people prayed and God supplied. Hudson Taylor once said, "God's work, done God's way, will never lack God's supply." As you read through 1 Kings 5 and 6 you see how God supplied every need that Solomon had in building the Temple. The wood, the laborers, the stone and every other item was taken care of by God. He has always used people but in the end He always got the Glory. In seven years God fulfilled the promise that He had made to David through Solomon as Solomon walked under the leadership of the Lord. The Lord said in Philippians 4:19: "But my God shall supply all your need according to his riches in glory by Christ Jesus." We have seen God supply in so many different ways in this building project. And He has worked through so many people. It has been a blessing to see the opportunities that God has given to us to minister to people along the way.

Also this year we are celebrating 134 years in existence as a church. In 1881, a state missionary held a revival meeting here in the area and later reported that it was a promising field to start a church. By 1883 Rev. Marshall Reed had given up his job and devoted himself to start a work here among the folks of "the old holly woods." On June 29, 1884, Hollywood Baptist Church was formally organized with 50 members. They dedicated their first place of worship and it has seen God's great hand of blessing ever since.

As I think about the future of Hollywood, I am greatly encouraged because of the faithfulness of a great number of people. Many of you have risen to the occasion over the years to take leadership rolls here in the ministry. You have sacrificed much and gone and given when it wasn't convenient, but you did it anyway. God has used so many different people in so many different ways. Some are still with us and some have been promoted to glory, however, the drive and motivation still remains the same. The vision and vitality has been so refreshing and inspiring to me as I have seen this ministry move forward in the 13 years I have been here. May we continue to see God's hand at work and may we continue to trust Him as our sustenance in life.

God bless each of you, and please mark your calendars for the Grand Opening Service on October 21. See you then!!

Bro. Terry

Missions Update

Our baby bottles for Baby Bottle Boomerang have been delivered to Transitions. We will announce the total amount collected as soon as Transitions finishes counting the coins and lets us know. Thank you for your kind and generous support of this ministry!

On August 12-17, several church members will be traveling to Bland County Missions Center to support their ministry. They will take donations of underwear, toothbrushes, and tooth paste. Thank you for your participation in our Undie Sundays! Please be in prayer for the volunteers' safety on this trip, and that the work of the Missions Center will continue to advance God's Kingdom!

During VBS we collected non-perishable food items to be distributed to hungry children in our local schools, who might otherwise go hungry on weekends and school holidays. More than 1,600 items were collected to be packaged into backpacks for hungry students. Thank you for your support!

In many countries, children who do not have the proper supplies are not allowed to attend school. These supplies maybe be as simple as a pencil and paper. For many of us it hard to imagine money being so tight that we could not afford a notebook or a single package of pencils for our child. However for many of the children who receive Operation Christmas Child shoebox gifts, this is a sad reality. Their parents simply do not have the money to purchase these simple items to send them to school. One shoebox recipient was thrilled to receive a whole notebook of her own, as her father had only been able to afford a single notebook for she and her sister to share. Another was thrilled to receive a whole package of new pencils, because before receiving his shoebox he had been limited to one pencil a year at the orphanage he was living in.

So as you pack your Christmas Child boxes, remember to include things like, paper, pencils, and pens! As always any donations for our church wide packing party in November can be placed in the collection box across from the information board.

On September 2 we are hosting a Sunday School Shindig! We're going to be celebrating the beginning of a new Sunday School year, installing our new teachers, and promoting students who have moved up a class. It's an exciting day for us here at Hollywood, so we're going to celebrate with a special breakfast, beginning at 9:30 am. If you haven't joined us for Sunday School, this would be a perfect morning to start. We have classes for all ages and everyone is welcome!

From Our Associate Pastor of Youth and Music

What an incredible summer!

Thank you again for the opportunity to travel to Romania with many of my family to help lead a camp for children and youth among the Hungarian Baptists there. There were over 180 enrolled in the camp, not counting leaders. Over 70 professed faith in Jesus Christ. Many more made commitments of rededication and renewal. It was a spectacular opportunity to share the gospel and show the love of Christ to many who have been neglected and forgotten.

This past week 8 of our students traveled to Ridgecrest, North Carolina to participate in Student Life Camp. Over 800 students and their leaders gathered for a time of renewal, refreshing, and revival. The theme was I AM, and the focus was on the characteristics of God: I AM who I AM, I AM Holy, I AM Love, and I AM with you. My prayer for this week was that our students would grow closer to Christ in their personal walk, and closer to each other as a part of the family of God. Both prayers were answered in the affirmative. There were also several other spiritual breakthroughs in the lives of our young people. I am excited to see where God leads them in the coming days.

We are excited to kick off the new “school” year in our Student ministry. ESCALATE fires back up on August 12th with a BACK TO SCHOOL BASH. It will be a time of fun, food, and fellowship as we “celebrate” going back to school. (Some of the students wouldn’t necessarily consider it something to celebrate.) We have an adventurous year planned as we seek to *provide an exciting environment where students can hear the gospel, grow in their relationship with Christ, and serve the needs of the community and the world.*

Our Worship ministry is back in full swing as we prepare several new anthems for the fall. We would love to have some new faces and voices join us in the Worship choir. If you are a student, adult, or somewhere in between, we would greatly enjoy having you make a joyful noise with us. No experience is necessary; you just need a willing heart that desires to give glory to God.

I look forward to an exciting fall of praising the Lord and growing closer to Him!

In Christ Alone,

Hal
