HOLLYWOOD BAPTIST CHURCH

# GRAND OPENING SPECIAL COMMEMORATIVE EDITION

On October 21, 2018, after decades of planning and work, we were blessed to be able to welcome people into our new multipurpose building. The building features a new fellowship hall and kitchen, larger nursery spaces, classrooms, offices, and more.

This special day was marked with a special worship service, a building dedication ceremony, a ribbon cutting, and our first fellowship meal in our new space. In the following pages you will find a sampling of the photos taken on our special day, the first of many new memories to be made in the new building. We would like to thank all those who helped make this special day possible.

Pastor recognizing Drake Easley and Bryan Lewis for all their hard work during the building project (left).

The congregation enjoying special music (below and bottom left).

Pastor Terry C. St. John welcomed our guests and preached a special sermon. (bottom right).

Dear Pastor and Congregation,  
We are so grateful for you allowing Judy and me to be a part of your Big Day on October 21st. It was such a blessing to see old friends and to see the beautiful new building. We are proud with you. It thrilled my heart to see the church moving forward and serving the Master. So many of the young couples we had the privilege to work with. It really blessed our hearts to see them taking an active part in helping to lead Hollywood forward. May God continue to bless as you reach out to the community. We pray for you and ask that you pray for us!

Love and Prayers,  
Haywood and Judy
