

## From Our Pastor

On July 10 at 6 pm I am calling a Solemn Assembly for our church family to come together to call on God in behalf of our families, church, community, state and nation. This meeting will be followed by a three day fast. "Difficult times demand drastic measures." Our country is in a state of emergency. If there has ever been a time in history in which the church needs to be seeking the face of God, it is now.

That Sunday evening, I will be showing a message by Jim Cymbala entitled, "My House Shall Be Called a House of Prayer." This is a powerful message calling God's people back to the place of prayer and the importance of keeping prayer a priority within the church. Jim Cymbala is the pastor of Brooklyn Tabernacle in New York City.

Also we will be compiling a "spiritual bucket list" of people and situations that need supernatural intervention. I don't know about you, but I really want to see God do something God-sized before I die. I have read the historical accounts of great movings of God's Spirit and I have been exercised in my heart to seek Him for a great outpouring of His Spirit. There are people that we represent that need to be saved and there are impossible situations that we face every day that are going to require a miracle if we are going to see them change.

In the book of Joel we find a similar time where there was a great calamity. The land had been overtaken by locusts and there was a terrible drought. All of their resources had been destroyed and they were in a desperate state. The combination of the two brought the nation to a place of famine. In utter desperation the nation was moved to seek the face of God and believe Him to turn the tide, so to speak. In Joel 1:13-14 God issued a summons to call the people to a time of prayer and repentance. In chapter 2:12-17 God promises that if they will meet the conditions, He will turn their calamity around. Then in chapter 2:18-32, you see the fulfillment of God's promise honoring their faithfulness. God not only restored their fruitfulness, He also gave them power over their enemies. Just as God did in those days He can do today.

When people hear the word "fasting" they immediately relate that to going without food but there are many things that we can set aside in our lives on a daily basis that will show God how serious we are about His intervention. You can fast from food, internet, television, physical pleasures, cell phones and many, many other things. You can fast from food for the 3 day period or just skip a meal a day or set aside a particular part of a meal. You could cut your TV off for three days and use that time to spend in prayer. There are many different aspects of fasting but the most important part of fasting is the condition of your heart. You must make sure that your motives are right and that your requests are God-honoring.

Whatever the case may be, I am sure that no matter how much time you and I spend in prayer, we will receive the greater blessing. One thing is for certain, we can never pray too much. The advantages will always outweigh the disadvantages. God assures us in Jeremiah 33:3 that if we "Call unto Me and I will answer, and show us great and mighty things, which thou knowest not." What a tremendous promise that God gives to us to let us know that He will answer in such a way where He gets all of the glory for what takes place.

As your Pastor, I am asking you to take this request serious. The reason we are in the state that we are in is because God's people have not stepped up and taken serious the threat that is upon us. You can make a difference and I am trusting that you will join us next Sunday evening as we kick-off this season of prayer. Only eternity will reveal the victories that have been wrought because the people of Hollywood sought the face of God in desperate times.

*Bro. Terry*

## LOOKING TO BE A BLESSING?

A broken ankle, a three day illness, a long term illness, a nursing home stay, a surgery, a birth, vision issues, driving limitations . All are issues that have been faced by our fellow church members or neighbors. How frequently do we consider what might not actually be needed but would be enjoyed? All can be blessed as we are willing to make it our mission.

There are lots of opportunities to get involved here at Hollywood. Right now our Nominating Committee is in the process of seeking people to serve in the coming year. The Nominating Committee will soon be publishing a list of vacant positions, and is in the process of verifying that those currently serving wish to remain in their positions. So if you have been serving for years or have only recently arrived, please be in prayer about where and how God is calling you to serve. If there is a position that you are interested in, please let a member of the Nominating Committee know!

**We will be hosting the New Song Choir on Sunday, July 17 at 6 pm. This group is in town and here at Hollywood for one night only so be sure to mark your calendars! ## “Approved Workmen Are Not Ashamed”

These are the children in our church who have joined “The 10 Club”. They have met the goal of learning at least ten Bible verses, passages, or lists. They are to be congratulated on this achievement and encouraged to continue on. Our next goal for them is 25, then 30, 40, etc. We hope they never feel like they know enough, just as we know we can never learn all God has for us. We will be adding more names to this list as the kids learn the verses. Good Work Guys!!!!

We enjoyed a sweet time of fellowship and snacks and the group prayed over Cassie, baby girl, Makailla, and family. We would like to congratulate Cassie and Randy and family!

## A Note From Cheryl

I'd like to thank ALL who helped with VBS in any way shape or form. At the heart of our VBS were the teachers who took charge of the classes and prepared lessons for each night making sure that God's word was planted in the hearts of all who attended. In addition to our teachers, we had help with decorations, crafts, food, games, and so much more! It is because of you we were able to make this VBS a success!

I'd also like to say a special thanks to those that I rely on year after year who start months before the children arrive and work so diligently behind the scenes workers and help prepare for the arrival of our VBSer's. We could not do it without each and every one of you! Your help is greatly valued and appreciated! Thanks for helping to make Ocean Commotion a great success!

Finally, I would like to thank the parents for bringing our VBS students, and those who participated in our adult class! If you missed VBS this year, we would love to have you join us next year!
