

From Our Pastor

“My Tribute (To God Be The Glory)” is a gospel song that first appeared in 1972 by American gospel singer and songwriter Andraé Crouch. It was written with the purpose of thanking God on a public level for all the great things that He has done. The lyrics are as follows:

How can I say thanks
for the things you have done for me
Things so undeserved
Yet you give to prove your love for me
The voices of a million angels
Cannot express my gratitude
All that I am or ever hope to be
I owe it all to Thee

(Chorus)
To God be the glory
To God be the glory
To God be the glory
For the things He has done
With His blood, He has saved me
By His power, He has raised me.
To God be the glory
For the things he has done

Eleven years ago this month God led my wife and I here to this community to be your Pastor. It has been such a great blessing seeing the hand of God over these years. We have walked and worked through times of trials and times of blessings as a church. Our prayer from the beginning was for God to enlarge our coast and bring forth fruit that would glorify Him. He has been faithful. Words could not express the deep appreciation that we have for you as a church body and for the mighty hand of our God. He has been faithful beyond measure and for that we praise him today.

God has blessed on so many different levels that it would take weeks to bring attention to each one. Two areas of blessings that I am so excited about is the people that have come to know the Lord over the past months. As of last night, I had the privilege to hear three teen guys pray in unison to receive Christ as Saviour. What a tremendous blessing.

Another area of blessing is to see our church moving forward in a building program. It is a big step but we serve a “BIG” God. He is the only one that can make this happen and I am so thankful for His commitment to supply the need.

Also the attendance records show that during the month of August we reached the highest averaged attendance for the morning worship service since I have been here. The average attendance for the month was 184 people.

I know it takes a lot of hard work and faithfulness on your part to see these things happen and as your Pastor I thank you for your commitment to the Lord and to your church family. May we continue to see the hand of God’s great blessings in the days to come and may we be careful to give Him praise “for the great things He has done.”

Bro. Terry

Candy Colored Prayers

Colors are all around us each and every day. Many colors have been identified with specific causes, such as pink for breast cancer awareness. With that thought in mind, we would like to use a few colors to help bring to mind some Mission Ministries for which we trust you will join us in praying for. The colors we will use will all be found in a bag of M&Ms. So we suppose we are giving you another reason to eat your chocolate! Just remember to pray as you do.

Blue - Pastors, leadership team and church ministries, Sunday School, & Children's Ministries

Red - International & National missions, especially David Knaus, Leroy & Rhonda Benally, Elizabeth Conner, Operation Christmas Child, & Southern Baptist missionaries

Green - Local ministries such as Transitions, Good News Jail Ministries, House of Hope, N. Pittsylvania County Food Bank, & God's Pit Crew

Yellow - Christian schools & colleges, teachers & administrators

Orange - Public schools & colleges, teachers & administrators

Brown - Law Enforcement, First Responders, & Military

If you dare to add another color/category any and all prayers are always needed and appreciated.

Our world is grieving in the wake of recent violence, death, and destruction. Although the days grow darker, it's not a time to despair. Now is an opportunity for the Lord to display His power like He has in the past – to revive the church and save the lost. Desperate times call for urgent prayer. There's no other answer than to join our hearts to seek God's face. It's time for the wailing women to come (Jer. 9:17). Hollywood will be joining Nancy DeMoss Wolgemuth for a historic prayer gathering. Listen to Nancy share how you can **join with thousands of women on September 23 at 7:00 p.m. More details will follow. Please mark your calendars to join us for this live simulcast.**

Dear Hollywood Baptist Church,

I want to personally thank you for the donation of school supplies and backpacks to our students. So many of our families are presently experiencing financial difficulties and your generous donation helps our students start the year off prepared. It also helps relieve some of the stress from our teachers as they diligently try to provide what is needed for their students to be successful. Thank you again for your gracious support of our school.

Sincerely,

Wanda Carter, Principal Chatham Elementary

Hollywood Church Family,

We would like to congratulate Matthew and Christina Falls for earning their places in the 25 Club. Membership in this club is earned by memorizing 25 bible verses or other important biblical facts (such as the order of the books of the Old and New Testaments). We are very proud of the hard work and dedication that Matthew and Christina have shown, and look forward to seeing more kids join them in the 25 Club! AWANA meets on Sunday evenings at 6 pm, and we would love to see your child join us if they haven't already! For those parents that have been faithful about bringing their children to participate in AWANA, we thank you for your investment in their biblical education! We'll keep you posted on the kids progress as they continuing learning their bible verses and the incredible love of God in AWANA.

On August 7, 2016 Mission Friends had an end of the year celebration! The students were recognized for their hard work during the year (pictured above are Damon Mullins, Matthew Falls, Aiden Mullins, Faith Tosh, and Katelyn Gatewood with their teachers Chris and Lynita Falls). They celebrated Matthew Falls graduation from Mission Friends and recognized the hard work of all the students throughout the year! They then played games outside, including creating some very impressive cheese puff hair pieces. A wonderful time was had by all! For those of you ages 4- 2nd grade, fun like this is waiting for you in Mission Friends this year too! Join us the first Sunday of each month in Children's Church!
