

Special 132nd Anniversary Edition

Happy Anniversary Hollywood!!!! Isn't it a blessing to look back over the last 132 years and see the hand of God? He has been faithful since the conception of this work that started with a revival meeting. In 1881, a state missionary held a revival meeting here in the area and later reported that it was a promising field to start a church. By 1883 Rev. Marshall Reed had given up his job and devoted himself to start a work here among the folks of "the old holly woods."

On June 29, 1884, Hollywood Baptist Church was formally organized with 50 members and dedicated their first place of worship. The one room building was built on one acre of property donated by Mr. & Mrs. B. S. Grubb and the rest is history.

It is God's desire to see people saved and to see lives changed and enriched by the power of God. He wants to invade lives, homes, and families to see them changed that He might receive the greatest amount of glory and honor for His great work. There is no time to waste in this upside down world in which we are living in. The Bible says in Ephesians 5:16 "To redeem the time, because the days are evil." Now is the time to determine in our hearts that we are going to do what needs to be done to see the work of God go on. May we have the mentality of the people in Nehemiah's day when they said, "Let us rise up and build." If there is ever a time when God's people need to have that type of mentality, it is now.

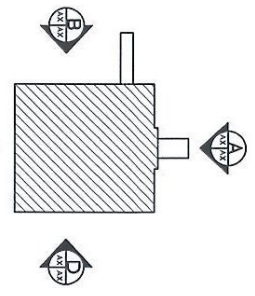

On the following two pages, the Building Committee is presenting the proposed floor plan and exterior elevation site plans for the new building. This will give you somewhat of an idea of the structure that we feel is essential as we prepare for the future. This facility will provide the space needed for future opportunities of ministry while providing adequate space for the immediate needs that we have now.

Churches are shutting their doors at an alarming rate and we cannot allow that to happen on our watch. The reason we are where we are is because God's people have paid the price over the years to obtain God's blessings. They served when it was not convenient, they took their stand when it was not popular, and they gave when they did not have because the work of God was a priority to them. May we be willing to carry on the legacy of those that have gone on ahead of us. May it be our burning desire to see more of God's blessings than ever before.

Today, after all these years God is still being faithful to pour out His showers of blessings upon this church. We look to the future with great anticipation that God is going to continue the good work that He started in this community. Will you make a renewed commitment today that by God's grace you will faithfully do your part to see God's work go forward? If the Lord tarries, my prayer is that the ministries of Hollywood Baptist will remain as strong as they have for 132 years, and become even stronger in the years to come!

Chatham High Football is being led by a new coach, Matt Allen. He has invited the public to show their support of the Varsity and Junior Varsity teams by providing meals before games and after meal snacks. We as a church have volunteered to feed the Varsity team on October 28. As James Nuckols is a team manager and is being called as a witness to the team for the Lord, we can support him and the team by providing this meal.

Food can be purchased for this meal with your donations, and two or three volunteers will be needed to help serve and clean up the high school cafeteria after the meal. If anyone would like to sponsor additional meals or snacks, please contact James Nuckols.

Wow! We can not tell y'all how much we appreciate everything the church has done for us! It's so scary to think about our baby girl growing up in the world as it is today, but it's so comforting to know that she will have such a strong, faithful, and loving church family at her back. It truly means everything to us to have you in our lives! Thank you for the wonderful shower and all the love! Can't wait to watch Caroline grow up at Hollywood!

Love,

Sabrina and Daniel

Dear Friends of Hollywood Baptist Church,

Your continued support and belief in Heritage Academy is invaluable to us, and we do not take it for granted! The prayers and support of people like you have made a huge impact on our mission of grounding students in God's Word.

The Lord has tremendously blessed our school. We have seen continued numeric growth each year. This school year our enrollment is 74 students. We began with 26 in 2011. We are believing the Lord for property and a building in the very near future as we have outgrown our second leased location.

We have also been blessed with the addition of two new teachers who love the Lord and are a tremendous addition to our facility.

Most importantly we have seen children grow in their love and appreciation for the Lord and His Word.

Their excitement and enthusiasm make it worth all the hard work. Recently, the first grade teacher shared with me that she delayed devotions one day from her usual time first thing in the morning, planning to do it a little later in the morning. However, in the busyness of the day, she failed to remember. The next morning, one of the little girls in her class asked her, "Are we going to do Bible this morning?" When the teacher replied, "Yes" the little girl said, "Good, because I skipped God yesterday and don't want to skip Him again today." This child is getting the message!

You are part of this ministry. We appreciate your prayers, support, and encouragement. Please continue to keep us on your prayer list as we continue to educate young men and women while providing them with a Christian worldview.

With gratitude,

Ann Haymes

Come and see what our classes are all about!

On September 23 more than twenty women gathered here at Hollywood to participate in the Cry Out! Simulcast. This three hour event featured prayer, praise, and seeking God's intervention in many things ranging from individual needs within families, to the state of our nation as a whole. It was described by one attendee as the most powerful prayer meeting that they had ever attended at Hollywood. We would like to thank all those who attended and were involved in this event. If you missed out on the Simulcast, you can still participate as we pray for our nation for forty days. More information can be found at www.cryout16.com.

It is amazing how much love you can fit inside a shoebox. Join us this year as we pack shoeboxes of toys, clothing, school supplies, hygiene items, and more for children around the world. Samaritan's Purse uses these shoeboxes as a tool to bless the lives of children, many of whom live in conditions that we can scarcely imagine.

The gospel is presented along with each box, and the stories of lives changed by a few simple gifts are too numerous to count. Our goal as a church this year is to pack at least 100 boxes. Shoeboxes are available for you to pick up now, and we will be collecting completed shoeboxes between now and November 13. Please take this opportunity to share God's love with a child, there is no describing the joy that these boxes bring to the children who receive them and the blessing that you receive in packing them!

This month in AWANA we're working on learning Psalm 100. Parents: for those of you who are already bringing your children to AWANA we appreciate your support. For those of you who haven't been attending, we'd love to see your child in AWANA, because kids matter to God! We're also very excited about Trunk or Treat coming up at the end of the month. Don't forget to come see us. We'll be handing out candy and gospel tracts. Last year we gave out over 1100 bags of treats, come join us and see if we beat our record! If you are interested in volunteering to hand out candy, please see Karle or Wendy.

Youth Update

BIBLE READING CHALLENGE! God's Word. The Sword of The Spirit. What are your reasons for not reading God's Word? Our youth have been challenged to begin a new Bible reading plan that will take them through the Bible before they finish High School. Each month we will list the challenge book and we will feature the names of those students who have completed a book of the Bible during the previous month. If you have your own reading plan that is great too! Just let us know what you are reading! This is a great time to join in! Church

family: encourage our youth by participating and challenging them to persevere as God grows and strengthens them with His Word.

September's Bible Reading Challenge was the Book of Proverbs or a book of your choice. Hailey Doss completed the book of Exodus. Bobby Mullins completed the book of Joshua. Terri Mullins and Madilyn Moss completed the book of Proverbs.

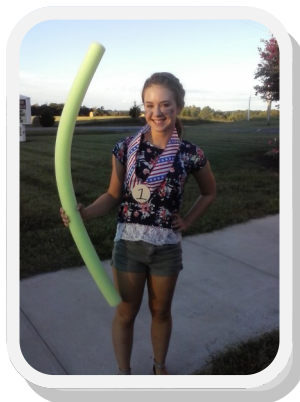

October's challenge is to read through the book of Matthew. Let's get busy reading!!

Our daily bible readers during the month of September were: Bobby & Terri Mullins, Hailey Doss, Justin Matherly, and Devin Motley.

F.O.R.G.E KICKOFF FUN! Our youth gathered on the evening of September 11th for "Olympic" fun and games that challenged them

to "finish the race"! We played games like Watermelon Shotput, Blindfold Fencing, Row Your Boat, Triathlon, and Popsicle Eating Contest. Everyone had a great time laughing and cheering each other on!

Art Night Fellowship

The G.R.A.C.E. girls kicked off a new year with an Art Night fellowship. Kimberly Smoot agreed to share her artistic talent with Terri and the girls Saturday, September 24. The girls and leaders gathered at 5pm and spent the next three hours painting. Everyone took a short break to let our canvases dry, enjoy a devotion, and enjoy some pizza and goodies before we got busy painting again. It was so neat to see everyone's paintings and compare/contrast interpretations. Our theme verses for the evening and for our canvas were Matthew 10:29-31: "Are not two sparrows sold for a penny? Yet not one of them will fall to the ground outside your Father's care. And even the very hairs of your head are all numbered." Our devotion reiterated the theme verses and reminded the girls of God's love for us. Remember.....**GOD LOVES YOU!**

YOUTH PAINTBALL FUN!

A group of 21 youth and leaders headed out to American Paintball for a few hours of paintball fun on Saturday, October 1, 2016. As you can tell by the photos below we all had a great time. Even if we were sore and bruised the following days. You just had to be there!
