

## From Our Pastor

March 1, 2017

HOLLYWOOD BAPTIST CHURCH

We as a church have prayed over the years for God to enlarge our coast and to expand our horizon. Through this, we have come to understand that He is more than willing to do this than we could ever imagine. One of the beautiful aspects of His work is that He gives us an opportunity to have a part in seeing that accomplished. Embarking on a building program has to be a joint effort. There is no way that this project could be accomplished by just individual effort, or the participation of a few. It must be a collective effort. In Nehemiah chapter 2 the people of his day “rose up to build”. They understood the saying “many hands make a light load.” Nehemiah chapter 4 verse 6 says, “So built we the wall; for the people had a mind to work.” We must pray and ask God to reveal to us what our part is in trusting Him to supply the need. I am a firm believer that God has the supply before we ever had the need.

On Sunday, February 5, we launched a Capital Giving Campaign to pay for our new multipurpose building by distributing pledge cards to our church body. Each person was asked to prayerfully consider a weekly, monthly or annual pledge. We recognize that more than likely, this building will be paid for by the faithfulness of God’s people over a period of time. This Sunday is the cut-off date to turn those pledge cards back in. Understanding that God works through His people, would you please take some time to ask God what He would have you to give towards this project? Some people are in a financial position to write a large check, but most can do a smaller amount over a longer period of time. What would the Lord have you to do?

Another opportunity we have to enlarge our coast in the area of spiritual growth is to be a part of the new study that will start this Sunday evening. There are 7 motivational gifts spoken of in Romans chapter 12. Of those 7 gifts mentioned, what is the gift that helps to define you? Is it the gift of teaching? Do you have a natural gift in exhorting and motivating others to serve the Lord even when they don’t want too? Are you prone to show mercy when the people around you are working through difficulties? Do you have a gift of organization or a gift of giving? Do you have a prophetic edge that is greatly needed within the work of God? Do you get fulfillment in serving others? Usually there is at least one primary gift that is intertwined and woven within the framework of your personality and character. There is also the evidence of other gifts that seem to surface from time to time. Surely God can bring any gift He wants to the surface to use at any given moment under many different circumstances. That is why it is extremely important that we know and understand how God has gifted His people.

Understanding the characteristics, uses and misuses of these motivational gifts will definitely help us in our service to the Lord and to others. Marriages have been helped as a result of a husband and wife coming to understand why their mates respond to different situations through the spiritual gift God has given them. For instance, how do parents view correction and discipline concerning their children?

Starting this Sunday, March 5, at 6:00 pm, we will be defining these 7 motivational gifts and giving a Biblical example of individuals that these gifts were given to. We will see how the 7 different gifts were used by God to accomplish His purposes. One of our major objectives for the class will be to help those that attend to come to a deeper understanding of how God has gifted them so that they can use that gifting to the fullest in His kingdom. Will you please take the time to avail yourself to this very important material?

*Bro. Terry*

North American Mission Board

**From March 5-12 we will be observing the week of prayer for the Annie Armstrong Easter Offering. We have set a church goal of \$1,500 for this offering. The funds raised through the Annie Armstrong Easter Offering are used to plant churches, support missionaries, and spread the Gospel in North America. While we typically think of foreign lands when we think**

**about missionaries, there are an estimated 269 million unsaved souls right here at home. We ask that you join us in praying for the missionaries that will be presented during the week of prayer, and for all those working to send light into dark communities such as the ones pictured on the map to the left. We also ask that you make your support of these missionaries a matter of prayer.**

Hollywood Baptist Church Family,

My dearest church family thank you for your prayers, love, and support of my service here in Mozambique. I have completed my training and have been officially sworn in as a Peace Corps Volunteer. I have been placed in a small area in the province of Tetewithin, Mozambique. My prayers were answered and I have been placed with a roommate, Diana, who is also from Virginia.

I will be teaching English at the secondary school here which has grades 8th-12th. Outside of school during the day, I will have time in the evenings to spend time in the community, tutor students, work with the primary school students who cannot read, and work with a REDES group that teaches young (high school) girls more about leadership, health and empowerment. Thank you for your continued prayers. May God keep his hand over me.

Love,  
Elizabeth Conner

Elizabeth loves receiving cards and letters from home. If you would like to send her one (remember international cards require additional postage) her address is:

Dear Hollywood Family,  
David and I cannot thank you enough for the love and support you have shown both of us during David's illness.  
We are so thankful for each of you, Pastor Terry, Luis, and each prayer, encouraging note, phone call, or expression of love and concern.  
You-our church family are so dear to us and we thank you for "being there" for us.  
Love,  
David and Toni

To Our Dear Church Family,  
It meant so much to know that you were praying for us on the Sunday night of the accident. God has surely answered those prayers. Thanks for your continued prayers, calls, visits, cards, and food.  
Love in Christ,  
Steve and Brenda Reynolds

I'm doing great. Back at work, a little sore. Thank you for your prayers and thoughts.  
Sarah Stewart

On March 16, from 10 am– noon, we will be having a craft day to create items for our Operation Christmas Child shoe-boxes. Join us for a time of fun and fellowship as we learn to create these adorable stuffed animals made from everyday household items! We will be serving a light brunch, and all are welcome to come! If you have any questions, please let Julie know!

The Youth will be hosting a luncheon for our Senior Saints (ages 60 and up) on March 5, directly after the morning service. We hope that you will join us for this time of food and fellowship as we show our appreciation for the many contributions that our Senior Saints have made and continue to make to our church. If you have not already let us know that you will be joining us, please let us know ASAP! If you have any questions about this event, please contact Terri Mullins.

**Our Little Lambs participated in a service project during Sunday School. They decorated water bottles with stickers saying "Jesus Loves You!". Then they handed the bottles out to thirsty people. What an excellent example of love and concern for others, thank you Little Lambs!**

Imagine that you are sitting at a fellowship dinner, and the person beside you clutches their chest and collapses. Would you know what to do? Every year 350,000 people have a cardiac incident outside of a hospital, even more need help after a fall, cut, or electrical shock. On April 1 from 9am-3pm we will be hosting an American Heart First Aid class here at Hollywood. This class also includes infant, child, and adult CPR. The cost of the course is \$25 if you borrow the course materials, and \$45 if you would like a book to keep. If you are interested in attending the class, please sign up on the sheet on the information board by March 19. If you have any questions about this event please see Linette Nuckols.

As always, we can't make this happen without you, so if you are willing to volunteer please get in touch with Cheryl Waller. Keep an eye on your bulletins, because we'll be hosting our first volunteers meeting in shortly!

# Sunday School for Sunday School Teachers

Sunday, February 19, 2017 was a special day in our Sunday School Department.

Our teachers met together in a class just for them. We began with a light breakfast & fellowship. We then looked to God's Word. In Acts 1 & 2 we studied the importance of believers connecting to one another, sharing time in the Word and in prayer. We saw the difference it makes when we share with one another what God is doing in our lives. In 2 Timothy 3 & 4 we read that no matter what the world around us may be choosing to embrace, we are called to (1) choose differently (2) continue in what God teaches (3) persist whether it is convenient or not and (4) make the most of the time God gives us.

In our regular classes, we had wonderful substitute teachers who stepped up to make this day possible.

A HUGE THANK YOU GOES OUT TO:

**Drake & Brittney Easley....Little Lambs**

**Mandi Dolan.....Busy Bees**

**Holly Munoz.....Bible Learners**

**Adam & Blair Lumpkins.....Youth**

**Courtney Robertson.....FISH**

**Robert Mills.....Home Builders**

**James Lumpkins.....Spares & Pairs**

**Adam & Jessica Burgess.....The Faithful**

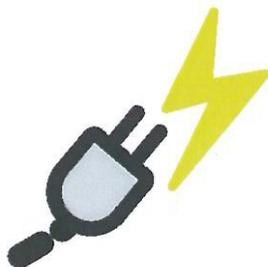

Our youth & other adult classes read various passages from Psalms and prayed through them. They worshipped God and sought forgiveness. They prayed for unity & peace in our church. They prayed for our leaders and their families. They prayed for all of us in the HBC family to trust God, love Him with our whole heart and seek Him above all else.

**There is power in prayer:** "This is the confidence we have in approaching God: that if we ask anything according to His will, He hears us. And if we know that He hears us, whatever we ask, we know that we have the petitions that we have asked of Him." 1 John 5: 14-15

**There is power in God's Word:** "For the word of God is living and powerful..." Heb. 4: 12
